

Hello everyone, it's that time of year again for the Harvest Community Festival. As you all know this is a huge undertaking for staff and volunteers to host an event that brings the community to our grounds so we can love on people and witness for Jesus.

As head of security, I take the safety of our church family and visitors very seriously. This is where you come in. We are in need of volunteers to help park cars throughout the night. If we don't have help our security team ends up doing this and therefore cannot be in the event at all to help keep us all safe. This tends to be an issue each year and it just shouldn't be. The event Wednesday, October 31st from 6 – 9pm and we usually begin parking cars around 5pm. Please help us in the area of parking you can contact either me at 863-412-6807 or Krystal Elliott at the church. Please consider helping us.

Thank you,

Andrew
