Stop Making Excuses

Raise your hand if you find yourself making excuses when asked to do something HARD and scary! Surely, I'm not the only one! When I am asked to do something scary, I really want to say "no, I can't do that!" But something stops me before I reply, He says to think and pray about it before making such a rash decision. I am reminded of Moses telling God he has this stutter... as if God didn't already know that! Take a look at the whole passage of Exodus 6. You will see these amazing WOW GOD promises from God... but Moses would miss out on them if he didn't follow through and obey God. All I can think of is, what promises would I miss out on if I say "NO, I can't do that!"

I'm still totally nervous and scared to take the leap of faith and step out of my comfort zone, but instead of feeling anxious, I have this amazing calm that only God could
